

Lakeland Energy Cooperative carefully considers sponsorship and donation requests that align with our marketing and communications goals. Due to numerous requests and finite sponsorship funds, we are unable to accommodate every request. Submit your request through this form, and Lakeland Energy Cooperative will evaluate your sponsorship request.

- Any person seeking a donation request must submit a completed donation request form in its entirety.
- Donation forms must be submitted by the first day of the month in which the event will be taking place. Example: if the event is being held on August 20, you must submit your request on, or before, August 1.
- If granted, those seeking donations will be notified by phone or email no later than the fifth business day of each month.
- Lakeland Energy Cooperative reserves the right to accept or reject a donation request for any reason.
